PROFILE

Computer Science undergraduate with a CGPA of 9.23 and a strong foundation in programming, problem-solving, and software development. Skilled in Python, Java, SQL, Git, GitHub, and Streamlit, with experience building applications and participating in coding competitions and hackathons. Passionate about learning new technologies and developing practical solutions through projects and continuous improvement.

EDUCATION

B.Tech Computer science, NSRIT
Visakhapatnam, Andhra Pradesh
Grade: 9.23

2024-2028

SKILLS

Languages: Python, Java, C, SQL

Web: HTML5, CSS3

Libraries: NumPy, Pandas, Matplotlib, Streamlit

Tools: Git, GitHub, VS Code, Jupyter Notebook

Core CS: OOP, DSA, DBMS

PROJECTS

MindMate - Generative AI Mental Health Companion | Python, Streamlit, Gemini AI, SQLite

- Developed an AI-powered mental wellness companion providing supportive conversations and wellness guidance.
- Integrated Gemini AI API to generate context-aware responses.
- Built a Streamlit-based interactive chat interface with conversation history management.
- Implemented secure API key handling using environment variables.
- Ongoing Development: Improving UI/UX and adding features such as mood tracking and personalized insights.

ImpactLens

- Designed a platform connecting NGOs with social issues, focusing on user flow and requirements analysis
- Developed an AI classifier to categorize problem descriptions
- Built an end-to-end prototype for automated issue classification and improved NGO targeting

LeetCode Tracker

- LeetCode Tracker Built an interactive web application using Streamlit to track and analyze LeetCode progress
- Helps users log solved problems, categorize them by difficulty, and visualize their coding journey
- Tech Stack: Python, Streamlit, SQLite, Pandas, Plotly

CERTIFICATIONS

- Python: Zero to Hero (Udemy)
- The Joy of Computing Using Python (NPTEL)
- Python Basic (HackerRank)

ACHIEVEMENTS

- 2nd place - CodeVinyas (College-level coding competition)
- Finalist - Internal Hackathon (Cybercrime Project)
- 2nd place at SheHack (Hackathon conducted by NSRIET)
